## **About Boys ECNL**

The Boys Elite Clubs National League (Boys ECNL) was founded to improve the daily environment for boys youth soccer players through a collaborative club-based development program featuring competition, player identification, and coaching and club development platforms. The Boys ECNL will include both regular season conference games and cross-conference events, and qualifying teams from the Boys ECNL will advance to the post-season Elite National Premier League (ENPL) Playoffs.

Rio Rapids Soccer Club is committed to helping your player maximize their ability by creating an environment or culture for **Long-Term Player Development**. We prioritize your player's long-term growth over short-term accomplishments and goals. Our curriculum is designed to connect with players in a method that is appropriate to the age, ability, and interest of each individual player.
