### **Reporting**

- Coaches must notify the Club immediately if they or any member of their team tests positive for COVID-19.
- Coaches must notify the Club immediately if they or any member of their team exhibits symptoms of COVID-19 (<https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>).
- Coaches must notify the Club immediately if they or any member of their team is exposed to someone who has tested positive for COVID-19.
- Coaches must notify the Club immediately if any member of their team misses training because they do not feel well.

### **Mask Requirements**

- As of this time, masks are not required for healthy individuals participating in outdoor activities regardless of the vaccination status of the participating individuals.
- Masks are required for all individuals (both vaccinated and unvaccinated) during the duration of all indoor activities (meetings, strength/fitness sessions, team hotels, etc.). Coaches should keep a record of attendance at all sessions for contact tracing purposes.

### **COVID-19 Pre-Screening Prior to Any Club Activity**

- Staff and players should screen themselves for signs / symptoms of Covid-19 prior to participating in any Club activity. This should include a temperature check (must be below 100.4 F).

### **Equipment**

- Personal athletic equipment shall not be shared by any individuals (clothing, masks, water bottles, food, etc.).

### **Transportation**

- Shared transportation by Club members will be considered a close contact for COVID-19 contact tracing purposes. Carpooling, team vehicle travel and other forms of shared transportation should be avoided whenever possible.

### **Participants in Team Activities**

- Shall social distance at all times during team activities other than when actively playing the game (pre-/post-training, during water breaks, during coach talks, waiting in lines for activities, etc.)
- Shall not share sleeping quarters.

### **How to Protect Yourself & Others**

- Coaches and member families should review and follow the CDC guidance regarding how to protect yourself and others from COVID-19
